

Murphy-Harpst

June 3, 2022

Friends in Christ,

As you all are taking steps of faith during a most challenging time, we want you to know how truly thankful we are for your partnership with us in mission. At the side of a child, we humbly join with you in the Lord's service to bring healing and hope to the most vulnerable among us.

Murphy-Harpst remains grateful for your prayers and continued support in this great, life-changing work. For nearly a century now we have received children from across the state into our care and have witnessed the reality of the Lord's blessing upon them. Through your congregational offerings, donation drives, regular visits and campus mission projects, our children have been welcomed and loved well. Thank you all so much for standing together with us and making Murphy-Harpst a key component in your local mission outreach and a part of your annual church budget.

This year's Murphy-Harpst Special Offering is set for July 17th, 2022.

Of course, many churches choose to hold it at other times of the year, which is just fine. Whether in the Summer or during the Thanksgiving or Advent season, we are blessed by the full participation of churches across North Georgia! As you know, this offering is a significant time of prayer and support for Murphy-Harpst at the beginning of each fiscal year – especially this year. Like you, we are also stepping out in faith. Murphy-Harpst is strategically expanding vital therapeutic services into other communities of North Georgia. Alongside the work on our historic campus, we must extend to meet the growing needs of children in key regions and confront the raging mental health crisis of our time. The need is great and our call to care is clear. So as we take these bold steps together, we sincerely hope you will schedule a Sunday and share in a special offering for 2022. We simply cannot do this work or press forward in it without you!

A digital suite of resources for your church to use can be found at:
